FEATURES FOR

Fundraising & Donations

Included free for InfoAnywhere users
No extra charge to use DonorAnywhere — regardless of the number of donors, donations or records.

Dashboard

See outstanding work toward your goals, compare with previous years, and get prompts for follow-ups, errors and upcoming events.

Ease of use

Quickly find a donor, volunteer or client and add a donation. Sell tickets and memberships, accept in-kind gifts, take monthly pledges and run events. Sends CRA-compliant receipts with a personalized thank-you letter.

Payment processing

Card donations are processed through your current processor. We never take a percentage — the only fees are your processor's. Recurring monthly pledges can run automatically.

Website integration

Add a donation form to your website with a few lines of code. Gifts are logged and processed automatically — just verify and send the receipt.

Reporting

Standard reports by tribute, solicitor, GL account or campaign, plus T3010 charity return data. Use ad-hoc search to find donors or gifts by fiscal year, add bulk notes or email matches, and export to CSV.
